

LESSON 14 - Part 2

SYMBOLS

In this section we will look at the different symbols used in tabs, some of them you will already know however they are included here so there is a full list. Examples are also included.

Accent = > Down strum = d Up strum = u Bend = b Release = r Hammer on's = h Pull off's = p Slides, up slide = / down slide = \	Pause/hold = ∩ Keep ringing/sounding = (3) Mute = x Tremelo = ~~~~~~ Fret hand finger = f1, f2, f3, f4 Triplets = $\overbrace{\quad\quad\quad}^3$ Palm Mute = PM
--------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Accent >	Down & Up strums
-0---0---0---0-----	-3---3---3---3---3-----
